

Help at Home®

Formerly Coastal Home Care

Do you know someone suffering from a physical, behavioral or developmental disability or illness who would like to remain in the comfortable surroundings of home while receiving the services they need?

Hi, this is Frankie Dabney, Branch Manager at the Help at Home, formerly Coastal Home Care, Columbus office and we can help.

In addition to serving Private Pay clients, we work with a number of Georgia Medicaid Waiver programs, which allow qualified individuals to receive the care and support services they need to maintain the best quality of life possible.

The knowledgeable, compassionate and highly trained caregivers at Help at Home, formerly Coastal Home Care, are able to provide these services in a variety of settings including hospital, nursing home, assisted living facility, or at home. Some of the services we provide are:

Behavioral Support Services

Developmental Disabilities Support Services

Personal Care Services

Homemaker/Companion Care

Live-In or Overnight Care

Skilled Nursing

Supported Recovery Care Services

Specialty Care including Dementia Care, End-of-Life Care, Respite Care and Medication Management

We also oversee family caregivers who qualify under the Structured Family Caregiving Waiver.

Respond to this email or give me a call at (706) 400-4396 to find out what we can do for your family. We're glad to help and look forward to hearing from you soon!
